

DRIVEN AT HEART

6th Aug 2009

Dear Lisa,

Thankyou so much for the three incredible cakes. (a piece of which I have just eaten). They were on display to everyone who came to the dinner on Saturday (1000) carried on to the stage at the concert finale (2000 people) and eaten by the VIP's at the event. They were then brought back to the factory here in Malvern and every one of our 165 employees given a piece.

Not only were they the best Morgan cakes I have ever seen but they were also quite delicious to eat.

Congratulations! xxx Charles
